

2011 / PCX

## Fun Has Never Been So Economical.

The all-new Honda PCX™ is your ticket to ride—wherever you want to. It's a great new addition to our scooter line that combines sportbike-inspired styling, plenty of storage and great fuel economy into a package that makes a ton of sense. Thanks to its full-length floorboard design, you and your passenger get plenty of room. And with a liquid-cooled, fuel-injected 125cc engine and our Honda V-Matic automatic transmission, the PCX is a blast to ride.

## Key Features

- Liquid-cooled fuel-injected four-stroke 125cc single-cylinder engine features a single overhead camshaft for spirited engine performance, excellent fuel economy and clean, efficient operation.
- Honda V-Matic automatic transmission provides seamless acceleration along with twist-and-go simplicity.
- Combined Braking System (CBS) links the rear brake to the front brake for additional stopping power when only the rear brake is applied.
- Since the PCX offers both a centerstand and a sidestand you have maximum flexibility when it's time to park.
- Large, lockable under-seat storage space can hold most full-face helmets and more.

**ENVIRONMENTAL COMMITMENT** At Honda, we believe in performance and leadership. That's why we're taking a leadership position when it comes to the environment, in our products and in all other aspects of our business as well. For more information visit <http://powersports.honda.com/about/environment.aspx>.

**BE A RESPONSIBLE RIDER** Riding a scooter is an exercise in responsibility — to yourself, to others, to the environment and to the sport. So remember, always wear a helmet, eye protection and protective clothing whenever you ride. Never ride under the influence of drugs or alcohol. Inspect your scooter before riding and read your owner's manual. Log on to the HRCA® website ([hrca.honda.com](http://hrca.honda.com)) concerning reimbursement through the Honda Rider's Club of America® for Motorcycle Safety Foundation (MSF) rider training. Operating your scooter with a modified engine, emission control system or noise control system may be illegal. For more information visit [powersports.honda.com](http://powersports.honda.com).
