SCOOTER ACCESSORIES 1989

### AUDIO SYSTEM

Enjoy high fidelity music with the ultimate Scooter accessory — the Hondaline® Scooter Audio System. This system was specifically designed for Honda® Scooters by Kenwood®. It delivers 5 watts per channel for clear, crisp sound. A handlebar-mounted control switch allows fingertip access to 5 station presets, electronic volume control, and AM/FM selection. The system includes two high-quality, water-resistant speakers and an antenna. The large, bright L.C.D. readout allows easy reading of the station frequency or time. The main tuner can be mounted either in the lockable storage or in the dash, depending on the Scooter model.

Suggested Retail \$250.00

### MUD GUARD

The Hondaline® Scooter Mud Guard helps keep mud, water, and other debris off the Scooter and the driver. Made of heavy rubber material, it features the Honda® logo, and installs easily to the rear fender.

Suggested Retail \$7.95

### SCOOTER HEADSET

Excellent sound quality is realized with the Hondaline® Scooter Headset. Engineered exclusively for the Hondaline® Scooter Audio System, it allows clear, crisp listening pleasure by moving the speakers closer to the ear. The Headset consists of two high quality speakers that fit inside most helmets.

NOTE: Headsets may be illegal in your area. Check your state and local laws.

Suggested Retail \$105.00

### MUSIC PAK

The Hondaline® Music Pak™ provides high quality music for the Scooter rider by utilizing the rider's personal, portable, walk-about type stereo/cassette. The system includes a water-resistant pack that holds the portable stereo and power amplifier, two water-resistant high fidelity speakers, and a handlebar-mounted control switch that allows easy volume adjustment. The Pak™ belts comfortably around the driver's waist for convenient, out-of-the-way listening pleasure.

Suggested Retail \$125.00

### FLOOR MATS

A finishing touch that adds a bit of class to your Scooter, Hondaline® Floor Mats are both good-looking and functional. Available in carpet material or heavy duty rubber, they are individually engineered for a perfect fit.

Suggested Retail \$21.95 to 29.95

### DECAL KIT

Fun and unique, the Hondaline® Scooter Decal Kits allow you to customize your Scooter graphics according to your own personal flair. The self-adhesive backing makes it quick and easy to install.

Suggested Retail \$4.95

### SEAT COVERS

Hondaline® Scooter Seat Covers offer added comfort, protection and style. Individually tailored with an elasticized bottom perimeter to provide a snug fit. Available in two textures, velour or simulated sheepskin, depending on the individual Scooter model.

Suggested Retail \$17.95-\$39.95

### FRONT TRUNK

A secure and roomy cargo carrying option that complements the lines of your Scooter. Constructed of strong yet lightweight ABS plastic, it includes a locking front opening for added security.

Suggested Retail \$79.95

**HONDA**  
**SCOOTER**

### FRONT RACK

Great for carrying books, briefcases, and other small, lightweight items. The Hondaline® Scooter Front Rack is made of chrome-plated welded steel for durability and sharp looks.

Suggested Retail \$21.95

### TOTE BOX

Ideal for off the Scooter applications as well as on, the Hondaline® Tote Box is a secure, convenient way to transport your small, lightweight items. Constructed of durable ABS plastic it features a pebble grain finish to resist scuffs and a chrome lock for added security.

Suggested Retail \$49.95

### REAR BASKET

An easy and convenient way to carry books, towels, or other items. These extra-deep baskets are made of heavy gauge steel wire for strength, and coated with a vinyl material that resists chipping and flaking. Available in black or white to coordinate with any Scooter colors, they install easily to most Honda® Scooter rear racks.

Suggested Retail \$24.95

### SCOOTER SADDLEBAGS

Convenient, roomy, and stylish, the Hondaline® Scooter Saddlebags are a great way to increase your Scooter's carrying capabilities. Constructed of durable, water-repellent nylon to help shield the inner contents from rain, sun, and other debris. The quick-connect fasteners make them a snap to mount or dismount, and the strong nylon handles make them easy to carry around off the Scooter.

Suggested Retail \$115.00

### BODY COVERS

Protect your Scooter finish and keep it looking good with a Hondaline® Scooter Body Cover. Constructed of water-repellent nylon for durability and light weight, it protects your Scooter from rain, sun, dust, and other elements. Custom-designed with elastic front and rear portions that offer a snug, secure fit with or without Hondaline® accessories. Available in blue or gold, depending on the particular model, each cover features a Honda® or model insignia.

Suggested Retail \$39.95-\$55.95

# HONDA ELITE

### WINDSCREENS

The comfort of extra wind protection and an aerodynamic, integral look are the primary benefits of a Hondaline® Scooter Windscreen. Built from tough polycarbonate material, the Windscreens are backed by a two-year guarantee against chipping or cracking. Each Windscreen is individually designed to complement its appropriate model.

Suggested Retail \$79.95-\$99.95

### WIND DEFLECTORS

Stylish and practical, these aerodynamic, smoke-tinted shields enhance the sleek look of the Elite™ 80, and help increase riding comfort when temperatures drop. Constructed of injection-molded plastic, they are both strong and lightweight.

Suggested Retail \$34.50
